Handy Comparisons

Handy Comparisons are an easy way for you to compare the incoming draft picks to your favorite NBA players.

Derrick Rose is Dwyane Wade with actual legs.

Michael Beasley is a happy Derrick Coleman who cares about basketball.

Jerryd Bayless wants to be Gilbert Arenas but he's faster, not as good, and not as silly.

Russell Westbrook is Rodney Stuckey but speedy.

Joe Alexander is the guy at pickup games who runs marathons, but Joe also has basketball skills.

Eric Gordon looks like a fat guy but he's really Ben Gordon with Ernie from Sesame Street's head.

OJ Mayo is Chauncey Billups with a chance to be a great defender.

Darrell Arthur is Tim Thomas.

Brook Lopez is Pau Gasol without the beard, wizard hands, and flailing arms.

Anthony Randolph is probably Stromile Swift but he might be Tyrus Thomas.

Nicolas Batum could be Rudy Gay but he has Eddy Curry's heart (anatomically speaking).

DeAndre Jordan is going to be Patrick O'Bryant.

Kosta Koufos is Zydrunas Ilgauskas when he came in the NBA before the foot injuries.

Kevin Love is not Wes Unseld but similar. Maybe a little David West-ish.

DJ Augustin is a skinny Jameer Nelson.

Danilo Gallinari is that guy you heard about in your men's league but you've never seen him play. He might be dominant, but he might just look good against the other teams.

Robin Lopez is Brook Lopez minus post moves plus Anderson Varejao, which probably makes him Joakim Noah.

Marreese Speights is a hyper-athletic Paul Millsap.

Donte Greene is a more intense Rashard Lewis.
