

Video Game Projects

Colossal Crisis

Help save the city from a giant rampaging monster by collecting special items. Use the items to build a wall and fight off the monster itself.

Promised Status

Play as Henry, the Wolf, and try to escape from an underground city. Play on different platforms.

Consumer: Wrath of the Ancients

Travel through a world of monsters and danger to recover 3 magic stones. Use them to power up your hero and defeat the evil forces.

Rock Candy

Use your special abilities and a combination of skills to bring the world up from candy goodness.
